Relevant Experience

Part-Time Tutoring   2022
Library & Learning Services, Sheridan College, Oakville, ON
- Prepared lively examples and communicated in plain language with students who were unclear about their class contents. Positive reviews were gained from the students

Web Development Project Manager   2021
Interactive Media Management, Sheridan College, Oakville, ON
- Designed and developed a stunning website prototype. Fully engaged with the interactivity and stability of the website by manipulating JavaScript and PHP code. Recognition received from the supervisor
- Led and supported a group of four for the website development. Efficiently organized different components of the project and effectively managed the deadlines leading to a bug free website prototype that was completed on time

[handwritten annotation: js, PHP, website]
[handwritten annotation: led organization time management]

UX/UI Design Assistant   2021
Interactive Media Management, Sheridan College, Oakville, ON
- Researched the food/beverage delivery market and presented a thoughtful UX/UI layout to the client who gave high approval to the design

Special Collections & Archives Project Assistant   2018
Dana Porter Library, University of Waterloo, Waterloo, ON
- Designed collection related theme postcards and bookmarks for the archival department using Photoshop. The number of new and returning visitors in the following months increased rapidly

Skills

- Adobe CC (Photoshop, Illustrator, Premiere Pro, After Effects) & Canva
- Web and multimedia design (HTML, CSS, JS, PHP, ZIMJS, Processing)
- Work well independently and in collaborative environments

Education

Interactive Media Management   2021 - Present
Sheridan College, ON

Bachelor of Art - Fine Arts Studio, Digital Arts Specialization   2016 - 2020
University of Waterloo, ON
- Dean's Honours List
